Sure, we live in the most international city in America and are known for [great food from all over the world](#). But since we also live in a place surrounded by water, we should probably be known for great food from the ocean too, which is why we're bringing you this list the eight best new seafood dishes in SoFla..."

Sunny Isles

What you're getting: All-you-can-eat stone crabs

The trendy Sunny Isles eatery knows you're jonesing for stone crabs. And nowhere are you getting a better deal than here, where for a mere \$59.95 you can eat stone crabs until you blow up like Veruca Salt. But redder.
